

Folded Eggs

What you need:

Your Epson printer
Epson genuine ink
Good quality A4 paper or card
Scissors
Glue
Ribbon

Instructions:

1. Make sure your printer's properties are set to high-quality, color printing.
2. Each egg is made up of 6 parts. If you want to make a single colored egg, print out the same template six times.
If you want to make a two-colored egg, print two templates three times each. Print and cut out the shapes.
3. Fold each egg in half lengthwise so that the colored side is facing inwards.
4. Glue all six eggs on top of each other. For a two-colored egg, always alternate the colors.
5. Glue a double ribbon in the middle before gluing the first and last egg together.
