

## Personalised captions

### What you need:

Your Epson printer

Epson genuine ink

Good quality A4 Photo Paper

### Instructions:

1. Make sure your printer's properties are set to high-quality, colour printing and photo printing.
2. Upload your summer photos in your preferred order by clicking on the placeholder.  
The photos should be square, otherwise they will be scaled to the height or width of the placeholder.
3. To exchange a photo, you can click on the picture again and then upload a new photo.
4. Click in the text field to change or delete the texts.
5. Now you're ready to print.

 <p>Vacation with my love</p>	 <p>Summer vibes</p>	 <p>Having fun in the sun</p>
 <p>Time to relax</p>	 <p>Vitamin Sea</p>	 <p>Click to add photo</p> <p>Click to add text</p>
